Summary: Sequel to Extraordinary Girl! Hamtaro has dated almost every girl in the clubhouse except the one he truly loves.

You Found Me

**A/N: **This is the sequel to Extraordinary Girl. It's Bijou/Hamtaro so I'm sure everyone will be happy! Well, review!

"Is this a dream?
>If it is"<p>

"Bijou, can I talk to you?" Hamtaro asked.

"Yeah sure whatever." Bijou said. She liked Hamtaro. Hamtaro had dated Oshare. He had dated Sparkle. He had dated Pashmina. He had dated Sandy. He _hadn't _dated her.

"Please don't wake me from this high
>I've become comfortably numb
Until you opened up my eyes
>To what it's like
When everything's right
>I can't believe"<p>

And his current girlfriend? Total witch. Her name was Cynthia & she went with him because Kether broke up with her for Sandy. So basically, Hamtaro had liked every single girl on the _planet_ except her.

"You found me
>When no one else was lookin'
How did you know just where I would be?
>Yeah, you broke through
All of my confusion
>The ups and the downs
And you still didn't leave
>I guess that you saw what nobody could see
You found me
>You found me"<p>

"I wanted to tell you that I broke up with Cynthia." Hamtaro

said.

"You _what_?" Bijou asked.

"So, here we are
>That's pretty far
When you think of where we've been
>No going back
I'm fading out
>All that has faded me within
You're by my side
>Now everything's fine
I can't believe"

Cynthia was 'hot'. She had long blonde hair & blue eyes. She kind of ripped of Bijou's look & got more creditâ€¦

"Yes, I did." Hamtaro said.

"Oh." Bijou said, clearly uninterested.

"You found me
>When no one else was lookin'
How did you know just where I would be?
>Yeah, you broke through
All of my confusion
>The ups and the downs
And you still didn't leave
>I guess that you saw what nobody could see
You found me
>You found me"<p>

Hamtaro sighed. She wasn't making this easy. "Do you know why I broke up with her?" he asked.

"Let me guess, you found a hotter girl?" Bijou said.

"Noâ€¦" Hamtaro said, "I found the girl I love."

"And I was hiding
>'Til you came along
And showed me where I belong
>You found me
You found me
>When no one else was lookin'
How did you know?
>How did you know?"<p>

"Who?" Bijou asked.

"Y-"

"WAIT! Let me guess! Is it Christie? She's cute."

"No it's not Christie. It's y-"

"What about Penelope? You haven't dated her yet!"

"No. It's y-"

"You found me
>When no one else was lookin'
How did you know just where I would be?
>Yeah, you broke through
All of my confusion
>The ups and the downs
And you still didn't leave
>I guess that you saw what nobody could see
You found me"

"I know! PEPPER! Oxnard would kinda be pissed though."

"No, it's y-"

"We're kinda running out of girls Hamtaro, so who is it?"

"I HAVE BEEN TRYING TO TELL YOU THE SAME FRICKIN' THING FOR FIFTEEN MINUTES! It's YOU!"

"What?" Bijou asked.

"I love you." Hamtaro said.

"You found me)
>(When no one else was lookin')
You found me
>(How did you know just where I would be?)
You broke through

>All of my confusion
The ups and the downs
>And you still didn't leave
I guess that you saw what nobody could see
>The good and the bad
And the things in between
>You found me"<p>

"Is it true?" Bijou managed to say.

"Yes." Hamtaro said, kissing her, "Soâ€¦?"

"I, I, love someone else now." Bijou said.

"_What? Who?_" Hamtaro asked.

"I'm just joking. I just wanted to see what you'd say." Bijou laughed as Hamtaro scowled at her, "The truth isâ€¦ I love you." She said, kissing him back.

"SCORE!" Hamtaro said.

Bijou just laughed & kissed him again.

"You found me"

A/N: So, what did you think? Did you like it? Well go on! REVIEW!
